 - ii. It is an academically based group and we do community service projects.
 - iii. We had a candy graham sale for Valentines Day. We put on Psychology Grad School Night. We will be doing a progressive dinner for inductions.
 - iv. You are required to be an official member of Psi Chi to be a member of the club, but anyone can join our events.

 - vi. This is very good for looking to go to grad school and there are special scholarship opportunities for members.

 - iii. Contact snakasone10@whitworth.edu

VII. Club Chartering

- a. Clean Blood Clean Water – Barrett Anderson and Josiah Brown
 - i. Overview – Our purpose is to raise awareness and money to build a well in eastern Kenya. It costs about \$3000 to build a well. We are planning a concert next month to raise money. We will also be planning a campus wide pillow fight.
 - ii. Questions
 1. We would like to raise the money by April 18th. We will be having a celebration at First Presbyterian Church.
 2. We chose our name because we are not officially going to be sponsored by Blood Water Mission.
 3. We are about halfway towards our first well and next year we are hoping to start raising money for another well in Kenya.
 4. We started with the college group from First Presbyterian Church. There are about fifteen people in the planning. We have about thirty four people who have expressed

interest in the club. We have been learning a lot about how to make everything work as it is more extensive than we thought putting on events.

- iii. Discussion
 - 1. Bud – Are they asking for money?
 - 2. Kendra – No.
 - 3. Straw Vote
- iv. Motion to charter the Clean Blood Clean Water.
 - 1. Voice vote – club passed

VIII. EVP

a. Announcements

- i. Nicole, Dayna, and I met to talk about art in the multipurpose room. We will be tweaking her responsibilities to have her help with advertising, especially in the multipurpose room. She will help with posters and other advertising type things. We decided that she will be working five hours a week this semester instead of ten. At this point we will be continuing the position but likely changing the job description.
 - 1. Dayna- We are hoping that someone will apply who has a vision for it as it is written. We need someone to own it. Officially we aren't changing it for next year. We want to give people the opportunity to mold the job.
 - 2. Obe- If there is more need or thought to change the position what would be the steps.
 - 3. Dayna- At this point it is a little late to change since we advertised it. We are learning as we go along what is working.
 - 4. Michelle- Are we looking at a position that focuses primarily on advertising.
 - 5. Kalen – We can look into that.
 - 6. Joy – Will her unused salary go into unallocated?
 - 7. Kendra – I will look into that.
 - 8. Katie – We could use the money for Springfest also.
- ii. We understand that people have involvement that conflicts with ASWU meetings. Make sure that you let me know if you are going to miss. Senators and Reps need to make sure they have a proxy. For non-representative positions if you are late you don't need a proxy, but if you are gone for the whole meeting we need you to have a contact person. Do your best to be here.
 - 1. Kendra – You have to do this before you get here. It has to be someone from your dorm. They have to get back to you later about what you missed.
 - 2. Jeremiah – I want to introduce Caleb. He is new and he lives in Warren.
 - 3. Caleb – I transferred over from MSU.
- iii. Make sure that you are signed up for GE330.
- iv. We have created a March campus programs calendar. This is separate from coordinator reports. Senators please include this in the newsletter or in the halls of your dorm.
- v. Kendra – Coordinators you can sign up for Budget Committee times now.
 - 1. Obe- This is a great time to have your replacement work with you.

IX. Committee Updates

a. Parking Committee – Brittany

- i. We talked about no overnight parking in front of the HUB. We think that there needs to be an emphasis in the use of the Hawthorne lot. We also want to have the campus be a more pedestrian friendly place. We may be putting in speed bumps. We talked about taking away freshmen being able to have cars but it will not happen for now. We looked at bringing up registration costs for certain parking. We discourage freshmen from having cars.
 - 1. For security it would be nice to have them look at parking by the football field.
 - 2. Patrick- Most of what you said was ideas.
 - a. Yes we will be meeting again in March.

b. Student Life Committee – Kalen, Aaron, Katie

- i. We only meet when there are Big 3 appeals
- ii. We haven't met this year.

X. Coordinator Reports

- a. Collin- There is a Basketball game tomorrow night. We will play Linfield tomorrow night. If you are going to paint up you need to be two colors. Check our Whitworthian.com for a podcast. It is free for students.
- b. Katie – Senior land is going great. We are voting on student speakers for commencements, buying caps and gowns, and Thursday March 12th is Senior Bowling Night at Lilac Lanes. It will start at 9:30 and you get three games for three dollars plus shoes. You have to buy your tickets in advance.
- c. Joy - Buy your yearbooks. We need to sell one hundred more.
- d. Interactive Arts – The community arts presentation on body image is tonight.
- e. Tyson – Next week we have a coffee shop on Wednesday with Wayne Patrick. Thursday 5th Dane Ueland and Johanna Kunin at 8pm.
- f. John – Soccer signups are due Saturday at 4:00. March 14th is a pickle ball/badminton tournament in Graves.
- g. Kelsey – Chiefs tickets are still on sale. I pick up the sign up sheet on Wednesdays for the Friday game. Encourage people to sign up by the 11th of March.
- h. Michelle – This Sunday in the Chambers is Kickin’ it Korean Style at 5:30 with Jeremiah Sataraka.

XI. Vibes

- a. Danika- Fred Meyer is interested in doing a Fred Meyer night again.
 - i. Brian – I wonder if people will like it as much now since Winco is now here.
 - ii. Fred Meyer has other stuff.
 - iii. Mark – A lot of people from BJ loved it at the beginning of the year.
- b. John – Contraband struck again. They hit my mail box.
 - i. Kendra – They know that we want to take them down and they are basically laughing at us. If it is really inappropriate take it. If they are lying there make your own choice.
- c. Joy – Jeremiah did a good job of encouraging
- d. Eric- The card reader broke last night in Mac. We have had some comics in Mac about why Mac men like the smile.
- e. Aaron – People have been complaining about the hours of the pool and tennis facilities. ‘Why is Whitworth pipping out the facilities to everyone but the students.’
 - i. Obe- This comes up every semester. Should we make this a constituency report?
 - ii. Seth- It comes up every year and we never tell them when we want to have hours in the pool. They want us to know when we would actually use it.
 - iii. Mark – I swim with a lot of guys Monday, Wednesday, and Friday. They all like the time.
 - iv. Kendra – It would be nice to have afternoon hours. The gym is really busy around 3-5.
 - v. Brian – It would be beneficial to have the hours work with the fitness center to relieve stress.
 - vi. Kendra- Pattie Murphy is our contact at the pool.
 - vii. Mac- Are the people who find it inconvenient just inconsistent.
 - viii. Aaron- Even when it is open it is often over crowded.
 - ix. Aaron, Brian, Dan, and Obe will form a sub-committee for swimming and tennis.
- f. Obe – There are still spots left for the Washington Student Leadership Forum. It is at the capitol and it focuses on developing you sense of leadership in the context of Christianity. It is a time for people to grow in being a student leader. If people are interested get in touch with Obe. It is March 5-7th.
- g. Obe- I met on Monday with the president of WSUS Spokane. We are planning on meeting again and getting more reps from local schools. We don’t know where it will go, but we will see. It would be great to get the officials for next year involved. If anyone is interested we will be meeting next Monday night at 6:00. There really hasn’t been anything like this recently. We are unofficially calling it the Spokane Student Government Council.
- h. Patrick- The storage limit on the email is way to low.
 - i. Katie- I think you should email someone about that.
 - ii. Joy – We can help on our end with not having attachments.
 - iii. Aaron- There seems to be a technology deficiency.
 - iv. Dayna- We should invite Jack Miller to come talk to us.
