6 pm  
Robinson Teaching  
Theatre

## ASWU News: Did you know?

This week *Aaron Leetch* – *Whitworth Athletic Director* came to talks to ASWU

Aaron gave us an update on the different athletic teams.

There are 425 students athlete this year at Whitworth.

The football team is 6-2. Men's soccer won the conference championships and will be going to playoffs! Men's golf won the fall northwest championship and Women's golf finished third.

Whitworth has won the All Sports Trophy for the past five years, and at this point it looks like we will win that trophy again, but only by three points.

The baseball field is being renovated. The infield is getting artificial turf, which is almost installed. Also the backstop is getting redone, with a brick wall and netting. Finally new dugouts, a new press box and new permanent bleachers are being added to the field.

Overall Whitworth students are great

supporters of all the different sports teams. Aaron and the Whitworth athletes thank you!

### UNITE UPDATE

UNITE is still working on making Whitworth a fair trade campus.

There is also discussion about whether to have Springfest on campus or off campus. Let your senator know what you think would be best!

## Other Super Important Information

### Sports happening this weekend

#### Friday November 2

- Swim Meet – 6 pm  
Aquatic Center
