

ASWU Meeting
Minutes 9.22.10

- I. Call to order at 5.02 pm
- II. Roll Call
 - a. Pierre proxy for Pat
 - b. Kyle proxy for Landon
- III. Minutes approved
- IV. President: Josh Boyden
 - a. Jim O'Brien: overcrowding in SAGA
 - i. Feedback from assembly: Jeff-Saga express is great and is doing its job, doing a great job; Pat-people are impressed with SAGA and the salad bar; Lauren-SAGA express is well liked; Meghan-is SAGA Express getting the numbers it expects? They think it will grow and they want to start slow and then move from there
 - ii. Thinking about having cooking lessons at SAGA Express; get feedback from students on new eating facilities ideas; Use of the LCD screen by ASWU for marketing of programs, etc; They would like to have catered meals for floors/dorms for specialty groups/nights; for groups about 50-120 people; Donovan: having larger parties in the dining room for football watching, etc; Pierre: Are dorm funds being used? No, catered meal would be free like going to the dining room; how do you pay for improving things? Crowded hallways with backpacks and taking food out of the dining room; Trying to change the culture that it's not ok to take tons of food and dishes; Trying to communicate what is ok and what is not; They are trying to be good stewards of the students' money: they will change how they do things like reinvest the money saved back into better quality food and more options
 - b. Brittany: homecoming-Dinner/Salsa dance went well, DJ went well, t-shirts and banners look good; Pepper eating contest was painful to watch, but successful; Thursday-comedian; Friday-Pep Rally; Saturday-Game and Dance; Security schedule to be sent out to ASWU members who signed up;
 - c. Racism Report: Beck is meeting with University heads in the Spokane area; Josh has the outline for what is going on in Spokane and how Whitworth will address that issue; Josh needs help and is working with Rhosetta Rhodes
 - d. University Council: strategic planning for WU; 7 Initiatives read by Josh

- e. Peter: Committee Report: Facilities: Efficiency, how to use everything more efficiently; Residence halls: working on where new students will go, 2013 is the earliest they can build a new dorm; Encourage more students to go to Costa Rica or move off campus in order to give students on campus more room; buying more theme houses; a new Village?; Change room numbers to be at overflow capacity always
 - i. Becca: Duvall rooms can't handle anymore overflow rooms, problems are caused; Freshmen girls will struggle with getting along and with the transition from school; fighting is caused
 - ii. Sarah: Overflow rooms in East work, but there is no room for personal stuff; beds are lofted with desks underneath, there isn't room for personal things
 - iii. Kyle: thought to letting sophomores and frosh live off campus? Maybe offering an easier route to move off campus
 - iv. Pat: has new acceptance rates been discussed for next year? Dayna: it's an art; it's hard to determine
 - v. Josh: University council is looking at an average of 585 new students next year
 - vi. Donovan: 1) Talked with Beck about overflow and how they determine the algorithms of who will come, its not the school accepting too many people, just more people came to the school than expected, we are being more selective about who is accepted; 2) The school should promote juniors and seniors to move off campus
 - f. Cranberry award: weekly gift in ASWU---The Zombie
 - i. Honorable mention: Jeff Podmayer
 - ii. Winner: Trista for CBD
- V. FVP-Lindy Tep

 - ii. Phone bills are in the red; Linda get charged for block amount; to cover expense of phone charges for the whole year in a block amount; Brian motion, Shannon 2nd. Passed

iii. Whitworth.fm, \$1800, from capital: David Dennis-For Instant Replay and live time productions, more promotions, for real-time, automated shows, pull sounds and elements off the internet, increases quality of the shows because students will learn true radio production; Adobe Audition: Audio editing program, will quicken the time frame for production, software is updated every other year for a very low cost.

1. Questions: Lindy-make sure that the software goes through ITMS and it was approved; Trista-Will you be able to teach it to others? Writing a manual for the next general manager which will explain all of the programs, he will require them to train with him on the program; programs are easy to learn; engineers will come and install everything so it is efficient; promotions will be professional and will teach djs to think and act like real producers; Jerod-the paper will partner with the radio and this will help both for radio news pieces; Kyle-How many listeners do we have? 3-4 now, promotion for the radio will be this week, promotions work has been going and it's a process, but the ball is rolling and there will be new things coming; shooting for 100 a week; This is an investment and will help broaden the scope of who is listening and will boost the popularity of the station; They don't have the appropriate equipment to operate what they want to operate; David is willing to try broadcasting athletics;
2. Pat: move to discuss; Lindy: move the radio to a more professional station; Donovan: make the radio worth listening to, let's bring the radio up to the high honors the paper has been taken to; Beca: David knows what he is doing and we need to give more attention to the program; Shannon- motion, Becca 2nd. Passed.

iv. Cash bags were a mess from selling Homecoming shirts: need to fill out the forms of who is purchasing and how much; order the money; record it and add it up for accountability; count receipts
