ASWU News: Did you know?

This week at the ASWU meeting Mindy Smith and Terry McGonigal came to speak about PCUSA.

PCUSA stands for Presbyterian Church (U.S.A). There are some changes happening within the Presbyterian Church and Terry and Mindy touched on that.

To make a really complicated discussion as simple as possible, the way in which Whitworth is related to the Presbyterian Church is disintegrating in December 2013.

That all being said Whitworth has put together a taskforce to figure out the steps that need to be taken. There is A LOT more information to

come on this topic. The conversation held in the ASWU meeting this week was just the beginning of discussions that will be held for students to get questions cleared up and give their input.

Ask your senator or zone rep. if you have any questions!

OTHER IMPORTANT INFORMATION
